

**FROM THE PRINCIPAL**

Dear Parents and Community Members,

The 2016-17 report card reflects growth in several areas for St. Mary's students. We set a new record high for percent of students meeting or exceeding on the English Language Arts and Mathematics Smarter Balanced assessments. The percent of students meeting or exceeding on the Science OAKS test was the strongest we've seen since 2013-14.

At St. Mary's we are continuing to improve the rigor and quality of our instructional programs. This year we will be focusing specifically on strengthening our English Language Arts curriculum and intervention.

St. Mary's enjoys the benefits of a strong community with both parent and local support. Thank you to our partners. Thank you to our dedicated staff, students, and volunteers for making St. Mary's a great place to learn and grow. And thank you for taking the time to review the report card. We look forward to the growth and learning of the coming 2017-18 school year.

Thank you,

Principal | Katie Voss

**The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.**
